PROJECT OVERVIEW

Website Name

Bike Bratislava

Main Goal

Present Bratislava as a unique cycling destination in the heart of Central Europe and generate inquiries for guided cycling tours, cycling rides and custom cycling experiences.

The website should inspire visitors, build trust and encourage them to contact us to plan their ride.

Tours will not be bookable directly on the website at this stage.

Primary conversion goal:

- Contact Form Submission

Secondary conversion goals:

- TripAdvisor Clicks
- GetYourGuide Clicks (future)
- Newsletter Sign-up (future)

BRAND POSITIONING

Core Message

Discover Bratislava and Central Europe from the saddle.

Supporting Message

Bratislava is one of Europe's most underrated cycling destinations.

Located at the crossroads of four countries, it offers an exceptional combination of history, culture, vineyards, riverside cycling, nature and cross-border adventures.

Marketing Hook

Ride Beyond Vienna

This phrase can be used as a campaign message and supporting headline but should not overshadow Bratislava as the main destination.

Our Story

Headline:
Born From A Passion For Cycling

Text:

Bike Bratislava was created by local cyclists who wanted to share their favourite roads, trails and hidden places with visitors from around the world.

After years of riding across Slovakia and Central Europe, we realised that Bratislava offers something truly unique: a gateway to multiple countries, cultures and landscapes, all accessible by bicycle.

Our mission is simple:

To help people experience Bratislava in a way that goes far beyond traditional tourism.
